

INTRODUCTION

The information contained in this issue applies equally to the new Elgin models

571.58901 - 12 HP Motor w/Standard leg
and 571.58911 - 12 HP Motor w/Long leg

In addition, the basic servicing techniques apply generally to the corresponding models

571.59401 - 25 HP Motor w/Standard leg
and 571.59411 - 25 HP Motor w/Long leg

A supplement will be released before the latter two models are shipped, to furnish specific information on adjustments, etcetera which apply only to the 25 HP motors.
